A TRIP TO NEW YORK

Was/were/wasn't/weren't

My name is Camilla. Last summer I in the United States. The voyage by plane long and tiring and the plane ticket quite expensive. It took me 10 hours to get to the New York airport.

My friend Katie there waiting for me. I surprised by the size of the JFK airport. It huge and there very many people. I was glad my friend there, otherwise I would probably get lost.

A few minutes later we in a cab. It a typical NY cab - big and yellow. We were in the car for an hour. There poor, run down neighbourhoods and rich, luxurious ones. The city centre fantastic. There huge skyscrapers, and big roundabouts. The largest and busiest roundabout the famous Colubus Circle. There was also an enormous traffic jam.

We went to Katie's apartment to leave the luggage and rest a bit. It small and cosy with a nice view of the park. I (not) very tired so we went to see the biggest fountain in New York. It the Bethesda Fountain in Central Park. There (not) many people in the park, because it still early in the morning.

Later we had lunch and were at some nice museums. In the evening we at the world famous Times Square. There hundreds of people, huge neon lights, billboards and advertisements.
